WELCOME TO PARRINDI ALPACAS AT RUFFY

After involvement of more than ten wonderful years in the alpaca industry and achieving great success in breeding quality coloured alpacas, we are about to embark on a new adventure so all our alpacas are for sale.

The Parrindi farm has been run on biodynamic principles with sown and native pasture which has resulted in HEALTHY alpacas. Over the years, more than 110 cria have been born naturally and unassisted and not one cria has needed to be bottle fed.

On offer at the sale is a large array of coloured huacayas including many show winners. There are quality females, some with cria, stud males and potential stud males and also guard or pet quality wethers available.

We wish all bidders good luck and hope they enjoy the alpacas they purchase.

BBQ lunch and refreshments will be available provided by the Ruffy Hall Committee.

Pretty Sally is still one of the best black huacayas in Australia with an outstanding show record including four firsts at the Nationals.

After producing the amazing Joseph (lot 29) and Julius Caesar (Lot 33) we used Sally in our ET program last year with four stunning cria resulting. Two gained blue ribbons at Seymour 2011 and all four then went to Whittlesea where they all gained first places in their classes, as well as Champion Junior Male and Best Brown. (See Lots 23, 37, 69 & 79).

Sally still has a fine fleece which feels like slippery satin. She has great conformation and a gentle nature. We will certainly miss her.

Despite being dubbed 'the ugly duckling' when he was born Joseph has become one of the most known and talked about alpacas because of his distinctive colouring

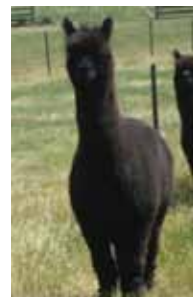

Judges have remarked that he has a consistently fine fleece "through all the colours" and he has a wonderful 'look at me' stance.

Joseph's wins in the ring have included a first at the 2009 National, Intermediate Champion at Seymour 2009, Reserve Intermediate Champion at Ballarat 2009, Best Grey Ballarat 2010, & firsts at 2011 shows - Ballarat, Colourbration, Alexandra & Whittlesea where he was also Best Grey and Reserve Senior Champion.

Fleece wins have included Best Grey Fleece at Creswick 2010 & 2011, firsts at Seymour 2010, Whittlesea 2011, and a 2nd at the International Fleece Show Ohio.
